

*Estate in Talavera de
la Reina*

THE ESTATE

Located 11 kilometers from Talavera de la Reina, about an hour from Madrid, surrounded by an estate of over 200 hectares of pasture, oaks, olive groves and scrubland, this magnificent country house rises.

The view is lost in his ways of grass and red earth escorted by masses of lavender and regular alternation of olive and cypress.

Two hectares surrounding the house with native species such as rosemary and santolina.

With a style reminiscent of the architecture of La Mancha, Moorish old tiles and white walls, give us the welcome with the windows overlook the meadow and a spectacular garden. In the evening, in addition to the garden with its outdoor pool illuminated, we will find nature in its purest form: spectacular oaks, large crops of wheat, fallow deer, deer and wild boar.

large but very cozy spaces, contemporary decor dotted with modern art, especially photography. In addition to the rooms, the house has several comfortable places with extraordinary views over the estate, some corners where "hide" and enjoy maximum privacy after a day's work.
