Security measures

CASAS Y ESPACIOS SINGULARES S.L. has implemented the necessary technical and organizational security measures to guarantee the confidentiality, integrity, availability and permanent resistance of treatment systems and services, establishing encryption systems for sensitive information.

In order to determine the security measures to be implemented, DSD has taken into account the risk analysis of our company, through which the most appropriate measures have been determined to guarantee the security of the treatment, which must be adopted, documenting everything that has been done. In any case, we continue to work to improve the security of our systems and ensure that information is properly protected.

Confidentiality

All staff members of CASAS Y ESPACIOS SINGULARES S.L. participating in any of the processing stages shall process and handle your data under strict care and confidentiality. Your data shall not be disclosed or communicated to a third party, unless required by legal provisions or the data subject has authorized otherwise.
