Estate in Valdeprados

Our 300 hectares of oaks and pines, marvelous views and our situation, 75 km. from Madrid and 20 km. from Segovia. we make all kinds of events and always with that "chic" charm that makes them unique. Our events are personal, private, magical, unforgettable and above unconventional.

If the event is in spring or summer, you can organize under the oaks of the garden surrounding the house, enjoying a magnificent view and special sunset. If it is in autumn or winter, we will prepare one of the rooms of the house, with their lit fireplaces, its slate floors and that warm, romantic and winter light coming through the windows.
